

*Do you have **Facial Redness** due to Rosacea?*

*If so, you may qualify to take part in a clinical research study conducted by a Board Certified Dermatologist to evaluate an investigational topical cream for **facial redness** caused by Rosacea.*

To participate, you must be:

- At least 18 years of age
- Diagnosed with facial redness caused by Rosacea (may be diagnosed at the first study visit)
- Willing and able to attend 2 clinic visits over a 15 day period

Participants may be compensated up to \$600 for time and travel
